

Exhibitor Scavenger Hunt

**Wednesday, August 1st
7:30 am - 10:00 am
Cox Convention Center- OKC, Exhibitor Hall**

How Does the Exhibitor Showcase Scavenger Hunt work?

OkACTE will submit questions to our participants via the OkACTE app. The clues will lead the attendee to the participating vendor's booths. The vendors will supply attendees with a color coded slip to complete to be entered into a table tumbler for the drawings. We would like to have a drawing, at minimum, every 20 minutes. Depending upon the number of interested exhibitors, that number can increase. The winners will be announced in the exhibit hall, as well via the OkACTE app by push notification.

What's in it for you?

We are requesting a **\$50 cash/item sponsorship** to participate in the scavenger hunt. The sponsoring booth will draw the winner from the table tumbler, and will be featured in a post to social media during the conference during the Exhibitor Showcase Scavenger Hunt. We believe that this will bring more traffic to your booth throughout the day to maximize your exposure during Expo hours.
